

## Mounting Press Comparison NextGen Material Testing, Inc.

Picture		
Series	GenPress MSA Semi Automatic Mounting Press	GenPress MFA Fully Automatic Mounting Press
Introduction	add pressure manually	pressurises, heats and cools completely free of operator involvement  user-friendly control and programming panel is displayed on a large touch screen ensuring you know exactly what stage in the process the press is at at all times
Memory Mode	0	100
Mounting Quantity	1-2	1-2
Time/ Temperature	Temperature controller	Touch screen
Pressure	Built-in setting	Set by user
Heating Power	1200W: Ø25/Ø32 1600W: Ø40/Ø50	1200W: Ø25/Ø32 1600W: Ø40/Ø50
Heating Time	MAX.30 min	MAX.60 min
Cooling Time	Manual control	MAX.30 min
cooling system	water cycle for environmental protection	water entry and exit, cooling quickly
Advantage	adjust the pressure manually	mold pipe pressure display on screen
Dimensions (WxDxH)	500x600x640mm	550x680x590mm
